### Our Vision - 'My Cup Overflows' Psalm 23:5

*A community that gives each child an outstanding spiritual, academic and practical education and instils an awareness of the overflowing joy, love and peace that comes from God's love for us, so that they are able to achieve their potential and truly experience 'life in all its fulness.'*

John 10:10

## Update from Mrs Rodenas

This week the children have enjoyed their Forest School experiences with children in Years 1, 3 and 5. They have been climbing trees, having time laying in hammocks, digging for clay and then being creative by making different items out of the clay they found!

This week in worship we have thought about St George's Day and learnt about St George as our Patron Saint. Father Robert also taught the children about St Mellitus.

We are very proud of our 8 children in Year 5 and 6 who took part in the 2000m borough cross country competition. Out of 70 children, our top girl runner came in 13th place and our top boy runner came 24th place! All of our children showed real perseverance - a huge congratulations to them all.

Have a lovely weekend, God Bless,

Mrs Rodenas

### Notices

- London is experiencing an increase in the number of measles cases. North West London consistently had the highest number of cases. If you have any concerns please visit <https://www.nhs.uk/conditions/measles/> for more information.

## Dates for the diary

- Please check our website for any updates to our programme of events
- 3rd May** - Year 1 & 2 Scooter training
- 9th May** - Class Photos AM
- 9th May** - PA Summer Discos - tickets available now
- 17th May** - Reception trip to Odd's Farm
- 22nd May** - Year 5 assembly 9.00

Remember to follow us on our new Instagram channel!

## Attendance Champions!

1. Groundbreakers	96.16%
2. Discoverers	95.03%
3. Pathfinders	94.66%
4. Explorers	93.91%
5. Investigators	93.41%
6. Adventurers	92.26%
7. Trail Blazers	91.34%

### Nursery

In Nursery this week we've been continuing to read 'The Snail and the Whale'. We've been colour mixing and creating different shades of blue to paint the whale from the story.

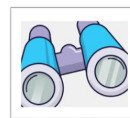

### Adventurers

This week in maths we have been learning to work with numbers to 20 and beyond. We have also been looking at the different houses and areas that we live in.

### Discoverers

This week in Year 1, we have been thinking about fruit vegetable and which are harvested overground and underground. We have also been looking at different ways explorers travel, as part of our History Topic.

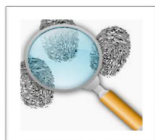

### Explorers

This week Explorers have started to plan their sequels to our key text 'The Friendship Bench.' In History we have been learning all about our monarch and the different stages of a coronation ceremony.

### Investigators

Investigators have been green-fingered with our Science enquiries so far this term. We have set up 3 geranium plants, and give each either 0ml, 10ml or 20ml of water every day, observing and recording their progress in Soft Start sessions.

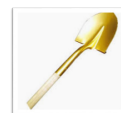

### Pathfinders

Year 4 have started their work on decimals and have been identifying their connection to fractions. They have also been composing and writing melodies as well as starting to think about how electricity flows to power components in a circuit.

### Groundbreakers

In Year 5, we started out topic on Hinduism with our big question 'What does it mean to be a Hindu?'. In English, we have been looking at 'Plastic Pollution' in order to write a persuasive piece of writing to persuade others to avoid the use of single-use plastics.

### Trailblazers

This week in maths we have been looking at angles. From acute to obtuse, right to straight and reflex, we have been using protractors to measure these.

## Thought for the week

Why do you call me 'Lord, Lord', and do not do what I tell you? I will show you what someone is like who comes to me, hears my words, and acts on them. That one is like a man building a house, who dug deeply and laid the foundation on rock; when a flood arose, the river burst against that house but could not shake it, because it had been well built. But the one who hears and does not act is like a man who built a house on the ground without a foundation. When the river burst against it, immediately it fell, and great was the ruin of that house. - Luke 6:46-49.

### Something to think about

You can feel the frustration out of which Jesus tells this familiar story. People aren't getting it. They are in love with the stories he is telling and the miracles he performs.

But they are letting him, and the world he is offering, stay at arms' length. His message is not going deep enough; transformed lives remain elusive even with Jesus in their midst.

It isn't enough to hear the word

from God. This word, voiced by Jesus, would lay hold of us if we let it. This word, carried to us through our Bibles, would transform our living if we truly let it. This word, brought to life amidst us by the Holy Spirit, would captivate and bless, judge and heal, challenge and restore us if we dare to let it become our foundation.

Jesus seeks us out and bids us to follow him. He calls us to be friends to him and for each other; disciples and children of God. But following

can be a shallow response when our daily living is not built upon real devotion to him.

Hearing without doing makes faithfulness into a sham. Jesus does not want pretence. He comes to invite us to stop pretending and to begin to live. We need deep foundations.

*Adapted from a contribution from the Rev Neil Thorogood, Principal of Westminster College, Cambridge, at the time of writing.*

## **Make a Difference! Be a Volunteer at St. Martin's Toddlers Group!**

### **Do you love seeing toddlers laugh, learn and play?**

We are looking for enthusiastic volunteers to join our friendly team on Fridays, 9 am to noon

You can either volunteer weekly or on a rota every 3-4 weeks

### **What you'll do:**

Help set up and tidy away toys and equipment

Supervise playtime, ensuring a safe and happy environment

Assist with arts & crafts activities

Chat with parents and carers, helping to create a sense of community

### **What you'll gain:**

A fun, rewarding experience, making a positive impact on young children

The opportunity to meet new people and build friendships

Training and support from other volunteers

### **We are looking for:**

Kind, patient and reliable individuals

**If this sounds like you, we'd love to hear from you!**
