Welcome to BWI Primary School

Dear new pupils,

My name is Pablo and I am the Head Boy here at BWI Primary School.

This letter is to tell you all of the wonderful things we do here. Some of these include visits to places in London such as The Tower of London and Kew Gardens. Also, we do many great activities each year, such as Sports Day (a competitive competition between every house in each class). Others include the Summer and Christmas Fairs, with lots to do. We have a wonderful Parent's Association that puts on many fun events such as our annual Firework Display and discos.

There are lots of fun activities that the teachers arrange for us as well. I have been able to take part in a spelling and maths competition against all the other local schools. We also have football and netball teams who play lots of matches!

I am also looking forward to Thorpe Park and going on our residential to PGL - a really fun Year 6 event with many activities.

I have been at this school since Nursery and my years here at BWI have been brilliant. I am sure you will enjoy them, making friends and doing fun things.

Pablo
