

Financial Transparency

Since public funds are used to operate state-maintained schools, (BWI and Holy Trinity) it is essential that we offer timely, accurate, and trustworthy financial information about the school to demonstrate that we have utilised public funds very well this is also required by the Academies Financial Handbook (St. Mary's),

The audited statutory financial report and accounts for the year ending 31st August 2024, shows the number of employees whose benefits exceed £100,000 (excluding employer pension costs): 0
