Use of Pupil Image Consent Form

Sometimes we take photographs and video of pupils. We use these for a variety of reasons, including showing people what school life is like at BWI. Their use is an invaluable assistance in helping us enrich educational journeys and communicating the message of the school.

By choosing to tick either the, *YES, I DO* or *NO, I DO NOT* box, you are confirming whether or not you give consent for the school to photograph/video your child and use them in the following circumstances.

Please note that we may use the images up to five years after the pupil has left the school.

If we use photographs or videos of individual pupils **we will not use the name of that child** in the accompanying text or photo caption.
