### Our Vision - 'My Cup Overflows' Psalm 23:5

*A community that gives each child an outstanding spiritual, academic and practical education and instils an awareness of the overflowing joy, love and peace that comes from God's love for us, so that they are able to achieve their potential and truly experience 'life in all its fulness.'*

John 10:10

## Update from Mrs Rodenas

It has been a fantastic first full week here at BWI as the children have settled in to their new routines in their new classes.

Clubs have started again this week and it has been great to see the children having fun in Gymnastics, Multi-Sports and preparations are well under way for our Choir to take part in Young Voices in the Spring Term.

Children from Year 2 up have also enjoyed their first Spanish lessons of the year. Year 4 even learnt to say 'Good morning Mrs Rodenas' in Spanish. Years 1, 3 and 5 have enjoyed their first Forest School sessions of the term and Year 4 are very excited about going swimming next week.

The children have all been extremely busy writing letters to me about themselves in their 'First of the Month' books and applying for the different important jobs across the school.

God bless you all.

Mrs Rodenas

### Nursery

In Nursery this week we have been settling into the routines of Nursery and enjoying exploring the inside and outside spaces. We also had a fantastic workshop with the Hillingdon Life-Base learning about how to look after our bodies and keep strong and healthy.

### Adventurers

This week we have been learning about our emotions and have focussed on which 'emotional zones' we are in and how we can comfort others. In English we began our focus book on 'Ruby's Worry' and in Maths we have been practising our counting skills.

### Discoverers

The children have had a great first week and are already settling well and becoming familiar with the routine. We have done writing and maths this week and had lots of opportunities to explore and play as they transition from Early Years. We have loved sharing stories and playing circle games.

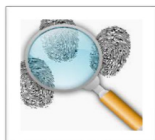

### Explorers

Year 2 have settled well and have been working really hard. In English we have been reading our class book 'Paddington,' and have been describing the main character. In Maths we have been learning about place value and have been partitioning numbers up to 100.

### Investigators

Investigators have had another superb week back, beginning to get to grips with place value in Maths and starting their story 'Stone Age Boy.' They also made excellent contributions in the Life Base session learning about healthy minds and healthy bodies.

### Pathfinders

Year 4 have had another learning-packed week and have settled into their new routine really well. Swimming lessons start on Monday - please check ClassDojo for all the details.

### Groundbreakers

Year 5 have started their big question in RE 'What do the miracles tell us about Jesus'. In their first lesson they read and discussed the miracle of the wedding of Cana. In English, we have started to read out new book 'Holes'.

### Trailblazers

This week we have been practising our scooping and throwing skills within lacrosse. In art we have been designing clothes which best represent us as individuals.

## Thought for the week

 *The Lord said to Moses: Tell the Israelites to take for me an offering; from all whose hearts prompt them to give you shall receive the offering for me.- Exodus 25:1-2.* 

### Something to think about

True worship is always a joint enterprise. We don't worship God on our own. God is present in our worship.

As the psalmist puts it: 'God inhabits the praises of his people' (Psalm 22:3). As we praise God, the Lord is with us and helps us worship.

The condition for the Israelites' giving was that it should come only from 'all whose hearts prompt them to give' (Exodus 25:2b). In other words, the materials had to be freely given, not out of fear or coercion.

'Each of you must give as you have

made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver,' says Paul in 2 Corinthians 9:7. True worship is from the heart.

God is in the detail. Like a master artist or architect, God has carefully planned every detail of everything he wants made. Right down to what it is made from, what wood, what material and what colour. Whilst we shouldn't put ourselves under pressure when we worship or think that our praises won't be received if they aren't 'just right', Exodus 25 suggests that listening for God's direction as we plan worship is important. God will lead us in crafting worship well.
