Newsletter: Week 23

Our Vision - 'My Cup Overflows' Psalm 23:5

A community that gives each child an outstanding spiritual, academic and practical education and instils an awareness of the overflowing joy, love and peace that comes from God's love for us, so that they are able to achieve their potential and truly experience 'life in all its fulness.'

John 10:10

Update from Mrs Rodenas

Last Friday we had a visit from our Chair of Governors - Mr Gallup who came to look at our Kapow Curriculum across the school and talk to our School Council. The children were very keen to tell Mr Gallup all of the interesting things they had learnt so far and why they are really enjoying their Geography, Art and Science lessons, to name but a few.

Also last Friday, our Parents Association held our annual Magic Show. The children had a wonderful time and we raised around £1000 which are much needed funds for our school. A huge thank you to all those who gave up their time to support and attend.

This week has been a week of excellent successes. Our Hillingdon Explorers, led by Mrs Cooper took part in the Dragons Den with other schools across the borough. The children had to bid for money to support a project they wanted to complete to help to support safer travel to school. The Explorer's worked very hard on their pitch and wanted to create new banners and leaflets to encourage people to park and drive safely around school. Our children pitched to the Dragon's and were awarded £450. They did an amazing job! Well done!

Mrs Lopez informed me that she has worked hard to meet all of the criteria to maintain our Asthma Friendly School Status and so we received our certificate for 2023-2024. Well done to Mrs Lopez and thank you to all parents/carers for your support towards this.

Finally, Year 5 went on a trip to Ealing Gurdwara and extended and consolidated their learning about Sikhism. One of the children told me the best part of the trip was the very tasty lunch they had in the langar. They were commended on their exemplary behaviour.

God Bless,

Mrs Rodenas

Notice

- If you have Rhino Phonics reading books at home, please would you return them to school as a matter of urgency. These books need to be brought into school on a daily basis so that we can read with the children in school. Thank you.

Dates for the diary

- 8th March - Mother's Day Stall
- 8th March - World Book Day Celebrations and Dressing Up
- 11th March and 12th March - Parent's Evening

Nursery

Nursery have a great week exploring colour. We've been naming colours and spotting them around school. We've been reading Brown Bear, Brown Bear what do you see? And the children have really enjoyed reading the story.

Adventurers

This week we have been learning about length in Maths and have completed work on ordering the length of caterpillars by cutting and sticking them out. We also learnt about the Last Supper in our RE and drew our favourite foods.

Discoverers

This week we started our independent write based on Florence Joyner. We also went on a seasons walk and we have been exploring different types of weather. In Art we have been exploring colour mixing.

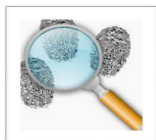

Explorers

We have been working hard in English and continued with our non-chronological reports and have learned a lot about cheetahs in the wild. In Science we have started our new topic 'Habitats' where we have learned about the different life processes.

Investigators

We have been reading more of our book, 'Roman Diary: The Journal of Iliona, a Young Slave', and writing about what it was like to go to the Colosseum to watch the gladiator fights. In History we have learned about the Roman invasion.

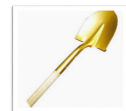

Pathfinders

This week, Year 4 have started learning about the Anglo-Saxons, an important part of British history. We have also been evaluating products designed for a specific purpose and learning the basics about how sounds are created.

Groundbreakers

The children really enjoyed their trip to the Gurdwara which extended their learning on Sikhism. They all tucked into the food there and some had several visits for extra portions. In English, the children have written a series of diary entries as Ernest Shackleton.

Trailblazers

This week we had fun in science, creating circuits. As well as this we have been writing up our speeches in English and will be performing them next week.

Thought for the week

When the owner of the vineyard comes, what will he do to those tenants?
- Matthew 21:40.

Something to think about

We walk this Lent journey in 2024 so painfully aware of the sustained destruction and exploitation of God's generous gift to us, the earth to which we belong. We are reminded again and again that 'our home is on fire', with young people pointing out that generations of abuse and short-term profit-making has ruptured the very fabric of our lives.

Our Lent reflections offer us a time to take stock and imagine again the fostering of a new community that finds ways to counter the power and greed of our time, a community that walks away from the religion of commerce and power.

In our gospel reading in Matthew about the parable of the tenants, Jesus portrays the leaders of his time as rebellious tenants. They have forgotten who they are and how to be in life-giving relation with others around them. With their distorted sense of reality and consuming greed, they mismanage the vineyard and seek to control and own it for their exclusive benefit. This is the very opposite of God's intentions in which the land and resources are a gift to enable us to live in shalom and grace.

The mirror of the parable portrays us all too clearly as those who have mismanaged God's gift to us, seeking to control and own it for the exclusive benefit of a privileged few,

whilst at the same time distorting and destroying our humanity. Jesus' parable in Matthew 21 is a sobering declaration – the tenants will be destroyed and the vineyard will be given to others.

Can we imagine a community of gift and grace? A community of repentance and forgiveness?

May this Lent season remind us to pray for such a community and the transformation of our world.

Executive Headteacher: Mrs R Blake
Head of School Mrs C Rodenas

9th February 2024

Dear Families of BWI,

I am reaching out to you today with an important update regarding our school's improvement fund, previously known as the governors' fund. It's with a heavy heart that I must inform you that the fund is currently undersubscribed. As a result, we are facing challenges in meeting our commitments to the LDBS for necessary repairs and improvements to our beloved school. This shortfall has put additional strain on our resources, forcing us to explore alternative avenues to bridge the gap. Unfortunately, this means tapping into our already stretched school budget.

I want to take this opportunity to express my sincere gratitude to all the parents who have generously contributed to this vital fund through regular payments. Your support is invaluable and truly makes a difference in enhancing the educational environment for our children.

I urge those who haven't yet considered setting up regular payments to kindly contemplate doing so. Every contribution, no matter how small, contributes to the betterment of our school community. We are asking for your support in making a regular voluntary contribution based on what you can afford amount/s of £10/£7/£5 dependent on the number of siblings within a family. A one-off payment or monthly contributions can be made via your School Money account or by standing order arranged through your bank (Account Name: Bishop Winnington Ingram School Governors, Account Number: 38565579, Sort Code: 60-18-05) should you prefer.

If you have any questions or require further clarification, please do not hesitate to reach out to the school administration or contact the governors directly. Your involvement and support are crucial as we strive to ensure the continued success and improvement of our school.

Thank you for your understanding and cooperation.

Yours sincerely,

Mr D Gallup
Chair of Governors

Attendance at School

All children are expected to achieve 96% attendance.

- *Attendance of 96% is regarded as good by Ofsted.*
- *Attendance below 96% is cause for concern and needs improvement.*
- *Children with attendance below 90% are regarded as persistent absentees and can be referred to the Educational Welfare Officer.*
- *Every day counts!*

Holidays

Requests for holidays or requests for travelling to visit relatives will **NOT** be authorised under any circumstances. Please note this includes requests to visit relatives who are unwell.

Families who take holidays or travel in term time will be issued with a penalty notice.

Every day counts!

If your child's attendance during the school year is:	Your child will have lost:	Or they will have missed:
95%	9 days	50 lessons
90%	19 days	100 lessons
85%	29 days	150 lessons
80%	38 days	200 lessons
75%	48 days	250 lessons

Exceptional or special leave

In exceptional circumstances, parents/carers must make a request to the Headteacher. Please note that it is very unusual for the Headteacher to be able to authorise absence from school.

It is vital that requests are made before making any bookings and documents must be provided to support the application.

In making the decision, the Executive Headteacher will consider the reasons for the absence, your child's current attendance percentage and any previous applications and absences.

Children whose attendance falls below 90% are classified as persistent absence and are regularly referred to Education Welfare service who will then contact parents/ carers.

In serious cases penalty notices (fines) are issued for unauthorised absence. These are currently £120 per person.

Parent Carer Support

Raising children doesn't come with a handbook, and sometimes knowing who to reach out to for support or advice is tricky.

Brilliant Parents and the Stronger Families Key Working team are offering a friendly and informal drop-in for parents/carers of 0-18 year olds and 0-25 year olds for those with SEND.

We'll be there for a chat, to share advice, support and a range of information in relation to parenting, and mental and emotional wellbeing for all the family.
