### Our Vision - 'My Cup Overflows' Psalm 23:5

*A community that gives each child an outstanding spiritual, academic and practical education and instils an awareness of the overflowing joy, love and peace that comes from God's love for us, so that they are able to achieve their potential and truly experience 'life in all its fulness.'*

*John 10:10*

## Update from Mrs Rodenas

It has been a very positive and busy first week back into the second half of the Autumn Term.

Firstly, I would like to express my gratitude to all of the teachers, families, the Parents Association, Cakes and Bakes and Lisa Noel from Colham Catering for providing such delicious delights and for creating such a wonderful Parents Evening experience this week. I hope you all enjoyed looking at the children's work as much as I do. Thank you to those who were able to purchase books from the Book Fair. We are fortunate to receive a percentage of money from the sales to purchase our own books.

Our week started with our worship on Monday led by Ruislip Baptist Church and Open the Book. They focused on our school value of 'Wisdom' and they invited a few children to help them by performing some drama.

This week has also seen children busily selling poppies to raise money for the Royal British Legion and our Year 6 children creating their own food drive and collecting for the food bank. The week has finished with our individual and siblings photographs taking place.

We look forward to seeing some of our families at our annual Fireworks Event on Sunday.

Have an enjoyable and safe weekend.

God Bless,

Mrs Rodenas

## Nursery

In Nursery we have settled back into the rhythms and routines of class. We have been focusing on Fireworks this week and have been creating our own firework pictures using a range of different media. We have also been learning all about rhyme and have especially enjoyed reading *Oi Frog!* By Kes Gray.

## Adventurers

This week we have begun our 2 week topic on the Cbeebies animation of 'Poppies'. We have discussed what the Rabbit and the butterfly were doing and how the story has 'happy' and 'low' parts. In maths we have been learning how to use our 10 tens with 1 more and 1 less.

## Discoverers

This week in Year 1 we have started our key text, 'The Queen's Hat.' We have written some fantastic sentences using verbs and adjectives. In Maths, we have been beginning to look at fact families. In Science we have been learning about the human body and labelling the parts that we know.

## Explorers

In English the Explorers have started our new text 'The Marvellous fluffy squishy itty bitty.' We particularly enjoyed making our own model versions of these! In Maths we have continued learning our subtraction and addition number bonds and in PE we made up dances based on the gunpowder plot.

## Investigators

This week Investigators have enjoyed exploring our new book, *The Magic Paintbrush*. We have continued to practise addition and subtraction column methods using exchange/borrowing.

## Pathfinders

This week, Year 4 have been continuing their work on volcanoes and the effect that tectonic plates have on our planet. We have also been looking at food chains and how all life is part of a delicately balanced ecosystem.

## Groundbreakers

Year 5 have started their new topic on Ancient Greeks and looked at the history of that period in order to create a timeline. In Science, we have also started our topic on space and have been particularly looking at Mars.

## Trailblazers

This week we have been researching China, which is where our new book 'The Firework Maker's Daughter' is set. We have been exploring vocabulary around the setting and looking at how we can put our vocabulary into strong sentences.

## Thought for the week

When he had gone out, Jesus said, 'Now the Son of Man has been glorified, and God has been glorified in him. If God has been glorified in him, God will also glorify him in himself and will glorify him at once. Little children, I am with you only a little longer. You will look for me; and as I said to the Jews so now I say to you, "Where I am going, you cannot come." I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another. - John 13: 31-35.

In our passage for today are the famous verses 'I give you a new commandment, that you love one another. [...] By this everyone will know that you are my disciples, if you have love for one another.'

This is the gospel summed up in two verses. 'Love one another' seems to be a simple request, but if you think about it for a moment, it doesn't seem quite so easy. You are asked to love everyone. You don't have to agree with them, believe what they do, or like how they behave – but you simply

have to love them. It is out of love that we need to work as a community, seeking to come alongside people who are in crisis and provide what is needed.

### Something to pray

*Creator God, thank you for your love that can move mountains. We thank you for love that can mend our hearts and bring justice to those in need.*

*Help us to follow you and love everyone around us, no matter who they are.*
