Welcome to BWI Primary School

Dear new pupils,

My name is Sophia and I am the Head Girl. In 8 years of being at this outstanding school, I have learned so much and made so many memories.

In Reception, we had so much fun learning and playing together! We went on our first school trips and learnt lines for our Christmas play. In Year 2, we learnt about being sick and not spreading germs and I also remember learning about The Gruffalo and his terrible claws and terrible jaws!

In Year 3, we baked cakes, had fun choosing our class name and learned so many new things. In Year 4, we had new people join and went on lots of trips to learn about people like the Romans. Year 5 was my favourite year; we went to different places and learnt so much in English and Maths.

Year 6 has been amazing! I am so looking forward to places like PGL and Thorpe Park. I am feeling ready for SATS as our teachers have taught us so much. Going to Secondary School will not be a problem for any of our children here; we have been taught to be brave and confident and our cups can overflow.

I hope you have a great time at our wonderful school.

Sophia
