AUTUMN TERM
WEEK 1

UPDATE FROM MRS RODENAS

It has been wonderful to welcome our pupils back to school this week, and I am delighted to share how positively the year has begun. The children have settled quickly into their new classes and routines, and it has been a real joy to see their enthusiasm, resilience, and readiness to learn shining through from the very first day.

Across the school, classrooms are already full of energy, curiosity, and a sense of community. Our teachers and staff have been so impressed with how confidently the children have adapted, whether meeting new teachers, forming new friendships or taking on new challenges with a smile.

The start of term brings lots of forms, letters, and messages! If you're unsure about anything, please get in touch with the office or send a quick Dojo message –we're always happy to help.

We look forward to building on this excellent start, ensuring every child feels happy, safe, and inspired to achieve their very best throughout the year ahead.

Wishing you all a restful weekend.

God Bless you all, Mrs Rodenas

Fun at Pizza Express in Year 4

Reception learning outside

NOTICES

- Please remember that we offer a soft start here at BWI and so learning takes place from 8.30am. We would love as many children in at that time as possible.

SAVE THE DATES

- Year 2 have a trip planned to RAF Hendon on Thursday 27th November.
- Our wonderful PA have arranged the first school disco for Thursday 25th September. Look out for more information on Class Dojo next week.

Attendance Champions

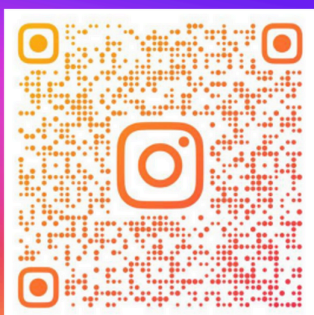

Adventurers - 100%

Explorers - 100%

Groundbreakers - 98%

How our cup has overflowed this week!

Attachment

Nursery

We have been settling in to our new classroom and getting used to the new rhythms and routines. We've been exploring Autumn and using our senses.

Adventurers

We have enjoyed settling into our new space, making friends, filling the space with laughter and exploring feelings through the story of 'The Colour Monster'.

Discoverers

We've had a great start to the year! We've been sorting and counting in Maths, started The Bear and the Piano in English, learned about the Creation Story in RE, and played weather bingo in Geography.

Explorers

We've had a great first week in Year 2, settling in, making class rules, and exploring our emotions. In English, we started 'A Lion in Paris' and learned about famous French landmarks.

Investigators

Year 3 have started the year with great enthusiasm. They've learned how guided reading will work and how to support their peers. They've also begun exploring place value and will be practising their 2 x tables.

Pathfinders

The children have settled in really well. They loved Pizza Express and biscuit tasting. In our geography lesson, we looked at food and the impacts that certain foods have on our environment.

Groundbreakers

Year 5 have had a great start to the year and have enjoyed our new writing topic about Macbeth and are starting to read The Time Travelling Cat and the Egyptian Goddess from Monday.

Trailblazers

We've started the year strong; beginning our key text 'The Journey' and writing about the struggles people experience due to war. In Maths, we have consolidated our knowledge of Place Value, using Gattegno and various Place Value charts.

Thought for the week

Be kind and compassionate to one another."
Ephesians 4:32

Kindness doesn't always have to be a big action—it can be as simple as a smile, a helping hand, or listening to someone who needs a friend. Compassion means noticing when others are struggling and choosing to respond with love and care. When we practice kindness and compassion, we help make our school a place where everyone feels valued, safe, and supported.

Sometimes kindness takes courage. It might mean standing up for someone, including others when they feel left out, or forgiving when it's easier to stay upset. These choices show the kind of compassion that Jesus teaches us, and they remind us that every act of kindness, no matter how small, can make a big difference in someone's day.

Something to pray

Heavenly Father,

Thank You for the gift of kindness and compassion. Help us to see the needs of others and to respond with love. Teach us to use our words and actions to bring joy, comfort, and encouragement to those around us. May our school be a community where kindness grows and compassion is shared each day.

In Jesus' name, Amen.
