Our Vision - 'My Cup Overflows' Psalm 23:5

A community that gives each child an outstanding spiritual, academic and practical education and instils an awareness of the overflowing joy, love and peace that comes from God's love for us, so that they are able to achieve their potential and truly experience 'life in all its fulness.'

John 10:10

Update from Mrs Rodenas

I am very excited to be writing to you as the new Head of this wonderful school. I feel very blessed to have joined you here at BWI and the children are an absolute credit to you all.

The children's behaviour on their return has been exemplary and they know all of their routines well, in such a short period of time. Thank you to all of you for preparing the children so well; all of the children are very smart in their school uniforms and ready for an exciting year ahead.

God bless you all.

Mrs Rodenas

A message from our Executive Headteacher, Mrs Blake

Thank you to all our families for supporting us in ensuring your child/ren have the best start to the year, it has been a real pleasure to welcome everyone back and I want to say a huge thank you to all the staff for working so hard in ensuring that the classrooms are ready for their schools.

You will have seen in the news recently that the government has asked some schools to close or partially close due to the type of concrete that was used in their construction. The concrete is called Reinforced Autoclaved Aerated Concrete (RAAC), which is best described as a lightweight concrete. This news has caused widespread concern and we understand that it may naturally lead to questions about the safety of our own school buildings.

I am writing to tell you that our school has been surveyed and no RAAC has been found. This means that the building is fully safe to open, and we are looking forward to an excellent term ahead in our safe and secure learning environment.

Have a wonderful weekend,

God Bless,

Mrs Blake

Nursery

The new nursery children have done so well this week. We have been getting to know each other, sharing stories and having lots of time to play inside and outside with all of the equipment.

Adventurers

The children have settled into beautifully to Reception! We have been thinking all about ourselves and drawing some self-portraits to put up on display. We have also been taking advantage of the lovely weather to play outside - especially in the water tray!

Discoverers

The children have had a great first week and are already settling well and becoming familiar with the routine. We have done writing and maths this week and had lots of opportunities to explore and play as they transition from Early Years. We have loved sharing stories and playing circle games.

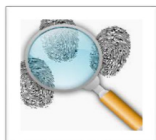

Explorers

The children have made a wonderful start in year 2 and have settled in beautifully. We have been having lots of fun and getting to know each other. We are extremely excited for the year ahead!

Investigators

Wow, what a fabulous start to the new school year. The children have been busy making the classroom look beautiful. They have been sharing lots of fantastic facts about themselves and have been impressing me with their beautiful handwriting. I am looking forward to the year ahead.

Pathfinders

Year 4 have settled in to the new term amazingly; we are already getting started looking at the digestive system, place value, sentence structure and we also had our first go on the ukuleles. All of the children have shown great resilience and have started the year off with brilliant attitudes, ready to learn.

Groundbreakers

Year 5 have settled in really well and have all been working conscientiously. In Geography, we started our topic on the Grand Canyon and found out how it was formed. In PSHE, the children worked collaboratively to build the tallest tower using six sheets of newspaper and showed great teamwork.

Trailblazers

This week we have had a lovely time settling into our new classroom. We have played lots of games and have been looking at how to use a thesaurus to improve our creative writing.

Thought for the week

May he grant you your heart's desire and fulfil all your plans. May we shout for joy over your victory and in the name of our God set up our banners. May the Lord fulfil all your petitions. - Psalm 20:4-5.

Something to think about

This is a wonderful psalm of benediction! God longs to bless each one of us as dearly beloved children, to 'grant (us our) heart's desire' and to 'fulfil all (our) petitions'. Sometimes that desire may be utterly simple and basic: for a roof over our head, safety and the means to feed and clothe our families. At other times it may be more complex, in a confusing, conflicting and contradictory world of political activity, where promises of co-operation for justice may or may not be kept, and those who seem to be friends may or may not be so.

God invites us all to share in blessing

the world, in prayer and work together. Within the wonder of the divine economy, blessing increases blessing. In blessing each other, we know ourselves to be blessed.

Something to pray

'Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavenly places, just as he chose us in Christ before the foundation of the world to be holy and blameless before him in love' (Ephesians 1.3). Alleluia!

Amen.
