UPDATE FROM MRS BLAKE

As we reach the end of the spring term, I would like to take this opportunity to thank you for your continued commitment to your children's education and for supporting strong attendance across our schools. It has been encouraging to see clear improvements in this area, and your partnership plays a vital role in this success.

I would also like to share that we are experiencing an increase in the volume of paperwork and documentation being requested of teachers by external professionals. While we fully recognise the importance of these requirements, our priority will always remain high quality teaching and learning within the classroom. We kindly ask for your understanding and patience, and request that you allow up to two weeks for any paperwork to be completed or re-issued.

As we look ahead to the summer term, we are excited for the opportunities that come with the warmer months. Across the partnership, pupils are working incredibly hard as they prepare for SATs and begin transitioning to new year groups and, for some, new schools. This is an important and exciting time in their educational journey.

Work across the partnership continues to flourish, please see the information regarding lanyards to know who is who across our schools. I look forward to sharing further updates and developments with you after the Easter break.

Wishing you and your families a peaceful and joyful Easter.

**Easter blessings,
Mrs Blake**

SPRING TERM
WEEK 11

Easter Blessings

Prayers for all the children and families in our partnership

Dear Lord, we thank You for the gift of Jesus and His resurrection. Bless each child and family in our partnership with Your love, peace, and joy this Easter. Amen.
