## UPDATE FROM MRS RODENAS

The sun is shining and the summer term is now in full swing. It has been a joy to see the children so engaged in their learning, showing great enthusiasm in lessons and making the most of the brighter days and opportunities to learn outdoors whenever possible.

We would like to say a huge thank you to our Parent Association for organising such a successful Magic Show event. It was a lovely occasion, full of laughter, amazement and excitement, and we are delighted to share that £500 was raised for the school. Thank you to everyone who attended, helped organise and supported the event so generously.

This week, Year 4 enjoyed a visit to the Science Museum. The children were enthusiastic, curious and a real credit to the school, making the most of every opportunity to explore, discover and learn through the exciting exhibits and workshops on offer.

In Reception, the children have been busy exploring Space, sparking their curiosity about the world beyond our planet. Their imaginative play, thoughtful questions and creative work have been wonderful to see.

In Forest School, the children marked Earth Day with thoughtful reflection. We began our sessions by thinking about what we love about the Earth. The children shared that they love the animals, the warmth of the sun, trees to climb and look up at, colourful flowers, the ocean and rivers, clouds, insects, and turtles, reptiles and amphibians. Many children found it hard to choose just one thing and said they love absolutely everything about the Earth. It was a lovely reminder of their appreciation for the world around them and the importance of caring for it each day.

Thank you, as always, for your continued support. Wishing you all a restful weekend.

SUMMER TERM  
WEEK 2

### Notices

Tissues, Soap, and Hand Sanitiser

Thank you for your generous donations of tissues and soap and hand sanitiser to help ensure we keep everyone happy and healthy to play in the summer sun! All donations welcome!

### Attendance

Please note that guidance from the government and local authority that schools have to follow is clear that absence should only be authorised in exceptional or extreme circumstances. Family holidays do not meet this threshold and this includes extended leave to visit family abroad in term time. As a result, these will not be authorised. For any requests of absence, these must be in writing, to the Head of School and will be responded to within 10 working days.

# How our cup has overflowed this week!

## Nursery

We have been exploring shape and pattern in a variety of ways. We made patchwork Elmer's and snail's inspired by Matisse. We also tested a variety of objects to see if they would float or sink. As part of our RE we thought about how to look after our world.

## Adventurers

This week in Reception, we have been learning all about space. The children have written some fantastic sentences about rockets and have enjoyed decorating their own stars. In maths, we have been focusing on sequencing numbers from 1 to 20.

## Discoverers

This week we have been writing about Nyla's feelings about moving to a new home. In Maths we have been counting in 2s, 10s and 5s. In Science we have been looking at wild and garden plants and sorting them. In Geography this week we have been creating maps of our local area.

## Explorers

This week in D&T we tasted lots of different healthy food options so that we could design our own healthy wrap. In Science we were excited to observe our plants to see how much they've grown. In English we have been working hard writing up our retell of the story 'The Friendship Bench'.

## Investigators

Investigators have been working hard on learning about mass in g and kg and their equivalent fractions of mass. In English they are continuing to build their colour poems based on Roger McGough's 'The Sound Collector', as well as adding to their understanding of tenses.

## Pathfinders

We have been studying a newspaper article about the dangers of plastic pollution in the oceans to help us prepare for writing our own article. In Maths, we have been learning how to use tenths and hundredths as decimals and fractions.

## Groundbreakers

In Science, we explored air resistance. We investigated how air can slow objects down and discussed real-life examples, such as parachutes and falling objects. In History, we learned about life in Baghdad during the Golden Age of Islam.

## Trailblazers

This week, Trailblazers have been working incredibly hard as they continue their SATs preparation. In Reading, they have continued exploring their key text *Rooftoppers* by Katherine Rundell, using a range of strategies such as summarising and making inferences to answer a variety of comprehension questions.

## Thought for the week

When I am afraid, I put my trust in you  
*Psalm 56:3*

We all feel afraid sometimes. We might worry about a test, feel nervous about trying something new, or be unsure about a difficult situation. Even grown-ups have moments when they feel worried or uncertain. The Bible reminds us in Psalm 56:3, "When I am afraid, I put my trust in you."

This verse does not say we will never feel afraid. Instead, it teaches us what to do when fear comes. We can turn to God, knowing that He is with us, cares for us, and gives us strength. Trusting God means remembering that we are never alone, even in the hardest moments.

This week, if something feels challenging or makes you nervous, take a deep breath and remember these words. Ask God to help you be brave, to guide your steps, and to fill your heart with peace. Sometimes courage is not about never being scared, but about taking the next step with faith.

Let us also help one another this week. A kind smile, encouraging word, or helping hand can make someone else feel stronger too. Together, with God's love, we can face anything.

### Something to pray

Dear God,

Thank You that You are always with us. When we feel worried, nervous, or afraid, help us to trust in You. Give us courage to face challenges, peace in our hearts, and kindness to support others who may be struggling. Remind us each day that we are never alone because You are by our side.

Amen.

# HILLINGDON PCF SPRING 2026 UPDATE

Information for families with children and young people (0-25) with SEND in Hillingdon

## Hillingdon Parent Carer Forum Update

We've been looking at ways to reach more families. This includes ongoing work towards revamping our website, planning a variety of events and starting up two SEND drop-ins in partnership with Hillingdon Children Centres and Family Hubs. These drop-ins are for families with a child or young person with special educational needs or disability and are a great opportunity to give feedback on local services, ask for advice or just have a chat. No booking necessary, just turn up!

Also planning for our Family Engagement Event is progressing wonderfully and we can confirm that will be joined again by the Liza Pizza and the Animals from Animals UK to name just a few highlights!!

**Contact us:** If you have any questions or would like to get involved please do get in touch. [www.hillingdonpcf.com](http://www.hillingdonpcf.com)  
[Hillingdonpcf@gmail.com](mailto:Hillingdonpcf@gmail.com)

## Event Planning Survey

We are working towards planning some in-person information events across the borough. This will give us the opportunity to meet with families and invite guests from services to discuss how they work, run workshops and gather feedback.

Your feedback will help us design these sessions to best meet the needs of our families. If you could take a moment to fill in this short survey we would be very grateful.

## Request for photos

As part of the the process of revamping our website we would love for the images to be inclusive of the families we represent.

If you have any pictures of your child or young person at our events or around the borough that you would like to be considered for inclusion please send them to us via email.

## Request from CDC/MDTA team at Hillingdon Hospital

The MDTA team looking for families they have worked with to help review their service. If you would like to help please contact us and we can pass on your details.
