SUMMER TERM
WEEK 4

In memory of Mrs Sullivan

It has been an emotional week for our school community following the loss of our dear friend and colleague, Mrs Sullivan. Throughout the week, the staff team have shown such care and support for one another and for the children, and we are incredibly thankful for the many kind messages, thoughtful words and generous donations we have received from families. Your compassion has meant a great deal to us all.

Families are welcome to make a donation via School Money and a book of condolence is available in the front office if you wish to leave a message. For members of the wider community who may also want to contribute, the PTA have very kindly offered their support. We will send out a link next week.

Blessed are those who mourn, for they shall be comforted
Matthew 5:4

Mrs Sullivan's family would like to warmly invite anyone who wishes to pay their respects to attend her funeral on Tuesday 26th May at 12.15pm at Breakspear Crematorium. Contributions will go towards flowers for Mrs Sullivan's funeral and create a special garden in her memory, a lasting space for reflection and remembrance within our school community.

Mrs Sullivan was a passionate supporter of our school and always believed wholeheartedly in our children. It has been lovely to see the children continuing to make her proud in so many ways this week.

Update from Mrs Rodenas

Our Year 6 pupils have been working extremely hard in preparation for their SATs assessments next week. We are very proud of the commitment and resilience they have shown, and we look forward to starting each morning together with our special SATs breakfast.

Celebrating David Attenborough

A special mention also goes to Paloma, who had the wonderful idea of celebrating David Attenborough's birthday today. She spoke beautifully during assembly and even visited Early Years to share her presentation with the younger children. We all learnt some fascinating facts - including that a dinosaur, the Attenborosaurus, was named after him! There was even an Arsenal reference included in her slides, especially for me.

Testing parachutes in year 5

Wishing you all a peaceful and restful weekend.

Mrs Rodenas

NOTICES

Back Packs, Book Bags and Pencil Cases

From September, we will be enforcing our school uniform policy regarding backpacks and pencil cases. Whilst many children have lovely bags and pencil cases, some are unfortunately too large to fit on classroom pegs or can become a distraction within the classroom.

Please ensure your child has the following:

- Pupils in Reception to Year 2 should have a school-branded book bag.
- Pupils in Year 3 to Year 6 should have a school-branded rucksack and a small, clear pencil case.

Thank you for your support in helping us keep our learning environments organised, safe and focused for all children.

Our full uniform policy can be found here: [BWI Uniform Policy](#)

How our cup has overflowed this week!

Nursery

We have continued our 'Places We Go' topic, going 'to the woods'. The children have enjoyed learning about woodland animals, making hedgehogs, bats and caterpillars! In phonics we looked at initial sounds of woodland animals.

Adventurers

This week in Reception, we have been looking at Handa's Surprise. We started the week by writing sentences to describe how heavy a basket was, and we finished the week by trying different fruits from the story. The fruit was so yummy, and we especially liked the pineapple!

Discoverers

We have started our non-fiction writing unit, on 'Seasons.' In phonics, we have been recapping previously taught sounds with a focus on wh saying 'w' and the 'w' sound family. In Maths we have been making equal groups and sharing. In Geography we have made a postcard of China.

Explorers

This week in math's we began our new topic on time alongside some revision on adding and subtracting numbers across a 10. In Geography we looked at the coastlines surrounding the United Kingdom and in Science we used drama to act out a story about a healthy and unhealthy plant.

Investigators

We have been writing our own poems based on 'The Colour Collector' modelling, this time collecting lovely things in a metaphorical basket to keep and enjoy. In our Buddhism topic we learned that enlightenment shows how everything is interconnected, as we all are to each other as friends and a community.

Pathfinders

In our computing lessons, we have been discussing internet safety and learning that we cannot always trust every online platform. We also explored how companies use persuasive techniques to encourage people to buy products online.

Groundbreakers

We have been investigating how to make parachutes. Some of the children were disappointed that theirs ripped so we spoke about which materials might be better to try next time we continue our investigations. This is a brilliant and real life example of how to do something, evaluate its success and then problem solve ways to improve it!

Trailblazers

Trailblazers have been working very hard in preparation for their SATs next week. We are really proud of their effort and the positive attitude they have shown. We wish them all the best of luck and know they will try their best!

Thought for the week

Do not let your hearts be troubled. You believe in God; believe also in me. *John 14:1*

Sometimes life can feel worrying or uncertain. We might feel nervous about friendships, tests, changes, or things happening around us. In this verse, Jesus reminds us that we do not have to carry those worries alone. He encourages us to trust in Him, even when things feel difficult or unclear.

Trust does not mean we will never feel worried, but it means remembering that God is always with us, guiding us and caring for us. When we take a moment to pray, talk to someone we trust, or show kindness to others, we can help bring peace and comfort to ourselves and those around us.

Jesus' words also remind us that it is okay to ask for help when we need it. We are all part of a community that cares for one another. Whether it is a friend, a teacher, a family member or someone at church, God often works through the people around us to bring comfort and support. By listening, encouraging and showing compassion, we can help others feel safe, valued and loved.

This week, let us try to be people who bring calm instead of worry, encouragement instead of fear, and hope instead of doubt. A kind word, a helping hand, or a smile can make a big difference to someone who may be feeling troubled.

Something to pray

Dear God,

Thank You for always being with us, especially when we feel worried or unsure. Help us to trust in You and remember that we are never alone. Give us peaceful hearts, courage to face challenges, and kindness to support those around us. Help us to spread hope, joy and comfort wherever we go this week.

Amen.

JOIN OUR PA TEAM

BWI School Parents Association is looking for passionate volunteers to help shape our school community.

We're seeking dedicated parents to fill two essential leadership roles for the upcoming academic year. Your involvement makes a real difference!

ACADEMIC YEAR 2026/27

POSITIONS AVAILABLE

- CHAIR
- TREASURER

WHY IT MATTERS

The PA cannot operate without these vital roles filled.

WHAT WE DO

Fund essential school resources
Cover over £7k in annual fees that otherwise will fall on parents.
Organise discos, fairs and all the fun that children love about the school
Bring our community together

GET INVOLVED

Contact the school office or email the PA directly:
bwischoolpa@gmail.com

TIME FOR FUN

For fun, friendship and activities that spark curiosity, creativity and confidence. For children aged 6 to 8.
