SUMMER TERM  
WEEK 9

## UPDATE FROM MRS RODENAS

What an incredible week it has been at BWI!

Firstly, I would like to say a huge well done to our talented **dancers** for their outstanding performances at The Beck last week. They represented our school brilliantly and should be extremely proud of their achievements.

This week has been equally busy and exciting. We welcomed the **NSPCC**, who delivered important workshops to help our children learn how to keep themselves safe. We also enjoyed our wonderful **Performance Evening** on Wednesday. The children were absolutely fantastic, showcasing a wide range of talents including instrumental performances, solo and group singing, and dance routines. Their confidence, dedication and enthusiasm shone through, making it a truly memorable event.

We finished the week on a high with our magnificent **Sports Day**. Although the weather was certainly warmer than usual (we do love talking about the British weather!), it did not dampen anyone's spirits. The children demonstrated excellent teamwork, determination and sportsmanship throughout the day and had an amazing time taking part in the events.

Thank you to all our families for your continued support. The children loved having you there to cheer them on, and there was certainly plenty of excitement when some of the adults joined in the races! Events like these help to create special memories for our children and strengthen our wonderful school community.

Wishing you all a lovely weekend.

Mrs Rodenas

Glorious Sports Day weather!

Performance night was amazing

Well done Futurity dancers!

## NOTICES

### Learning Labs Summer Camp

Learning Labs will be running a Summer Camp at Holy Trinity CofE Primary School from 27th July to 27th August 2026.

The summer camp has been designed to give children a fun and engaging environment during the summer holidays and will be held on Tuesday, Wednesday & Thursday every week from 9am - 3pm, throughout the Summer.

This programme is designed specifically for Holy Trinity, BWI & St John's students with discounted pricing for the school's families. We encourage parents to register as soon as possible to avoid disappointment.

# How our cup has overflowed this week!

## Nursery

The children have enjoyed exploring our mermaids and pirates topic. They loved dressing up with pirate patches and necklaces and searching for treasure in the water tray. In maths, the children practised creating repeating patterns using different pieces of treasure they had discovered.

## Adventurers

We explored the story of The Good Samaritan and discussed the importance of showing kindness and compassion to everyone, including people we may not know. The children shared thoughtful ideas about how they can help others and make a positive difference.

## Discoverers

Year 1 have been thinking about how they can lead a more sustainable life. They learned about this in science and made bug hotels to encourage insects into their gardens. We also had a great time at Sports Day!

## Explorers

This week we have been busy having lovely workshops the NSPCC and the RNLI. We have also worked hard on our reading and working on answering comprehension questions. In RE we continued to learn about baptism and in art we painted our clay pinch pots and tiles.

## Investigators

Investigators have been finishing their letter based on 'The Gardener' in English and have been considering time in terms of am and pm, days, weeks, months and years, as well as reading time on digital clocks in Maths. In RE we continued our 'I am' statements Jesus made in our 'Who is Jesus?' unit

## Pathfinders

The children have had a busy week with visitors and a workshop. In our RE lesson we wrote some questions on the liturgy for Father Robert and he came in on Wednesday and answered ten. On Thursday the children had a visit from the RNLI about being safe around water.

## Groundbreakers

This week we have been practicing adding and subtracting decimals, practicing our comprehension skills, reading 'Journey to Joburg' and learning about apartheid as well as building bridges with lolly sticks.

## Trailblazers

Last week we were visited by members of the National Holocaust Museum, who helped us explore the story of Leo, a 10-year-old Jewish refugee, and learn about isolation, propaganda, and antisemitism. This week we also had the RNLI in to talk to us about how to keep safe at the seaside.

## Thought for the week

It is not the healthy who need a doctor, but the sick...  
I desire mercy, not sacrifice.  
*Matthew 9:12-13*

When the religious leaders questioned why Jesus spent time with people who made mistakes, Jesus replied: "It is not the healthy who need a doctor, but the sick... I desire mercy, not sacrifice." (Matthew 9:12-13)

Jesus wasn't saying that some people are good and some people are bad. He was teaching us that nobody is perfect and that everyone needs kindness, forgiveness and support. Just as a doctor helps people when they are unwell, Jesus came to help people when they make mistakes, feel lost, or need a fresh start.

Sometimes it can be easy to judge others when they get something wrong. Jesus challenges us to do something different. He asks us to show mercy. Mercy means showing kindness, compassion and forgiveness, even when someone may not deserve it.

At school, we can live this out by helping someone who is struggling, forgiving a friend after a disagreement, including someone who feels left out, or choosing kind words when it would be easier to be unkind.

When we show mercy to others, we reflect the love that Jesus shows to us every day.

### Something to pray

Dear God,

Thank you that you love each one of us, not because we are perfect, but because we are your children. Help us to show mercy and kindness to others, especially when they make mistakes. Teach us to forgive as you forgive us, to support those who are struggling, and to look for the good in everyone we meet.

Amen
