UPDATE FROM MRS RODENAS

What a week we've had! The sunshine has certainly made itself known!

I would like to say a huge thank you to Pastor Ruth from Hope Community Church for leading our Prayer Space this week. The children thoroughly enjoyed taking part in the different activities, and it was wonderful to see them engaging so thoughtfully with opportunities for prayer, reflection and spirituality.

I would also like to say a heartfelt thank you to all of our parents and carers for your patience, understanding and support as we have navigated this week's exceptionally hot weather. Every decision we made was based on the information available at the time and, most importantly, with the safety and wellbeing of our children at the heart of it.

A special thank you must also go to our fantastic staff team here at BWI. They have gone above and beyond throughout the week to ensure that the children remained as calm, comfortable and cool as possible. Their care, flexibility and dedication have been truly outstanding, and I am incredibly proud of everything they have done.

With the weather forecast looking much more manageable next week, we will be returning to our usual school routines. This means that children should return in their normal school uniform, although ties and jumpers will not be required unless the weather changes. Our usual school day timings will also resume.

Finally, a reminder that Mrs Sullivan's School Memorial Service will take place on Wednesday 1st July from 2:00pm-3:00pm. All members of our school community are warmly welcome to attend as we come together to remember and celebrate Mrs Sullivan's life and the lasting impact she had on our school.

Have a lovely (cooler) weekend!

SUMMER TERM
WEEK 10

NOTICES

Learning Labs Summer Camp

Learning Labs will be running a Summer Camp at Holy Trinity CofE Primary School from 27th July to 27th August 2026.

The summer camp has been designed to give children a fun and engaging environment during the summer holidays and will be held on Tuesday, Wednesday & Thursday every week from 9am - 3pm, throughout the Summer.

This programme is designed specifically for Holy Trinity, BWI & St John's students with discounted pricing for the school's families. We encourage parents to register as soon as possible to avoid disappointment.

How our cup has overflowed this week!

Nursery

This week in Nursery, we have had lots of fun learning about aliens and space! The children have loved singing the Planet Song and finding out about astronauts, rockets, and life on the moon. We also enjoyed a special moon picnic with Baby Bear and Owl from Whatever Next!

Adventurers

This week in Reception, we had lots of fun with water play because of the hot weather. The children enjoyed splashing, pouring, and exploring with water while keeping cool in the sunshine!

Discoverers

This week we have been revising previously taught sounds in Phonics. In English, we have been planning for our independent write, based on 'The Way Back Home.' In Maths we have been learning about the value of coins and notes and comparing their values.

Explorers

This week we worked hard completing our assessments in maths. In RE we continued our learning on baptism. In history we begun learning about William the Conqueror and the battle of Hastings. We also really enjoyed our time in the prayer space and enjoyed all the reflecting and calming activities.

Investigators

Investigators have been able to finish off their letter based on 'The Gardener' in English and have completed their learning on time in Maths by solving time reasoning problems. In Science we learned about the different types of seed dispersal and in History learned about Ancient Egyptian hieroglyphics. We enjoyed our time in the Prayer Space on Wednesday, despite the heat!

Pathfinders

In Year 4 this week, we have carried out assessments and all the children have shown good progress. We also finished writing our persuasive leaflets on banning social media and published these in our First of the Month Books.

Groundbreakers

I am incredibly proud of the children and the way they have approached their learning during this week's intense heat, showing resilience, maturity and enthusiasm throughout. From enjoying the plot twist in Tom's Midnight Garden to interpreting data, the children embraced every opportunity with creativity and thoughtfulness.

Trailblazers

The children have been keeping cool by practising for this year's production of Star Wars. We cannot wait for you all to see it! It is going to be very special!

Thought for the week

And if anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward.
Matthew 10:42

As we move through another week together, Jesus reminds us that even the smallest act of kindness can make a big difference. A cup of cold water may seem like a very simple gift, but to someone who is thirsty, it can mean everything. Jesus teaches us that no act of kindness is ever too small to matter.

Sometimes we think we have to do something extraordinary to make a difference, but God's Kingdom is often built through ordinary people doing ordinary things with extraordinary love. A smile to someone who is feeling lonely, holding a door open, helping a friend with their work, inviting someone to play, saying thank you, or simply listening when someone needs to talk are all ways of showing God's love.

This week, think about the small things you can do that might brighten someone else's day. You may never know just how much your kindness means to them, but God sees every loving action and reminds us that nothing done with love is ever wasted.

Something to pray

Dear Lord,

Thank You for showing us that even the smallest acts of kindness are important. Help us to notice when someone needs our help and to be willing to serve others with generous hearts.

Teach us to share Your love through our words and actions, whether by offering encouragement, friendship, patience or a helping hand. May we remember that every kind deed reflects Your love and helps our school community to grow stronger together.

Amen.
