BWI PRIMARY SCHOOL

OUR VISION: MY CUP OVERFLOWS

[Click here for upcoming dates or check your Class Dojo events](#)

UPDATE FROM MRS RODENAS

What another fantastic week we have had at BWI!

One of the real highlights this week was our amazing day of workshops and worship led by iSingPOP. The children had a wonderful time singing, dancing and joining together in worship. It was fantastic to see the energy, enthusiasm and joy throughout the school, and such a lovely opportunity for us to come together as a school family. A very special thank you once again to Pastor Dan and Ashley from Catch the Fire Church, who kindly funded this wonderful day for our children. We are extremely grateful for their generosity and support.

Our children have also been busy this week applying for a range of important roles across the school, including School Ambassadors (previously known as RE Ambassadors) and School Council Representatives. Some of our Year 6 children have also applied for the roles of Head Boy and Head Girl.

We have been incredibly proud of all the children who put themselves forward. They have all demonstrated fantastic qualities, and it was extremely difficult to shortlist the applications. There are many different opportunities for children to take on responsibilities and contribute to school life, and we will let you know who has been selected as class representatives in your individual class communications. If your child is not selected for a role this year, please encourage them to keep trying. There will be lots of opportunities in the future.

Next week, we are looking forward to holding our Environment Week across the school. Throughout the week, the children will be thinking about the small changes we can all make to help care for and protect our world. We will be focusing particularly on saving energy and water, reducing waste and recycling. We will also encourage the children to think creatively about how we can work together to build a better tomorrow.

Finally, a little reminder for those children who completed the Summer Reading Challenge: please remember to bring in your prizes on Monday, ready for us to celebrate your fantastic achievements together during our worship.

Have a wonderful weekend!

Mrs Rodenas

iSing Pop treated us to a wonderful day of worship

lots to discover!

NOTICES

Bags and Uniform

So many children look extremely smart in their new school uniforms. Please remember that Reception to Year 2 children should have a BWI branded book bag, and Years 3 to 6 should have a BWI branded backpack. Please ensure children are wearing the correct school uniform, including the correct school **shirt** and **tie** from Year 1 to Year 6. **PE uniform** should be as stated on our [website](#).

Stay and Play is back!

Our Stay and Play sessions start again next Friday, now running from 1.30pm-3:00pm.

Open to families with children aged 0-4, it's a lovely opportunity for little ones to play and explore while families get to know our school community. Please spread the word to friends and family.

How our cup has overflowed this week!

Nursery

This week in Nursery, we have been focusing on colour recognition in Maths, exploring different colours and grouping objects together to form collections. In RE, we have been thinking about what makes us special. The children enjoyed sharing their favourite toys and activities and learning that we are all unique.

Adventurers

This week in Reception, we have enjoyed creating our very own Colour Monsters using a variety of different materials. When the rain arrived, we also had lots of fun jumping in muddy puddles!

Discoverers

This week in Science we learnt about our sight and had fun looking at each other's eyes and eye colours. In History we drew what we would like to keep in a special memory box. In RE we read the story of creation and thought about what God created on each day.

Explorers

In Geography, we have been learning about hot and cold places around the world. This week, we focused on the Polar Regions and explored what it is like to live there. In RE, we have been considering the question, 'What is the life of a Christian like?'

Investigators

This week we have been writing sentences including synonyms and verbs, on 'Stone Age Boy.' In Maths we have been partitioning numbers to 1000. In History we have been looking at Stone Age settlements and in our Science we have been learning at the different functions of the human skeleton.

Pathfinders

This week, Pathfinders have been developing their place value knowledge in Maths, counting within 1000 using various number lines. We looked at our vision and created artwork to represent what it meant to us. Year 4 also began our Guided Reading book Charlotte's Web by E.B. White.

Groundbreakers

Year 5 have been learning about air resistance in Science, in which we made and tested how the surface area of different planes affected the distance they flew. In History we have started to discuss our big question "Were the Vikings raiders, raiders or something else" and in RE we learnt about where and why some Christians go on pilgrimage.

Trailblazers

Year 6 have been continuing to learn about place value focusing on understanding negative numbers and applying them in different contexts. We have also begun learning about classification; recognizing different animal groups including identifying invertebrates and vertebrates.

Thought for the week

Accept the one whose faith is weak, without quarreling over disputable matters. *Romans 14:1*

In Romans 14, Paul reminds us that we are all different. We might enjoy different things, have different opinions, make different choices and see situations in different ways. And that is okay.

Sometimes it can be very easy to judge someone because they do something differently from us. We might think, "Why are they doing that?" or "My way is better." But Paul reminds us that our job isn't to judge other people. Instead, God asks us to welcome one another, be patient with one another and show kindness.

This links beautifully with our school vision of Rooted, Grow, Flourish. When we are rooted in God's love, we learn to treat others with respect. When we choose kindness instead of judgement, we help each other to grow. And when everyone feels accepted and valued for who they are, we can all flourish.

This week, our challenge is simple: before we judge someone because they are different or have made a different choice, stop and think: How can I show kindness instead?

Something to pray

Dear God,

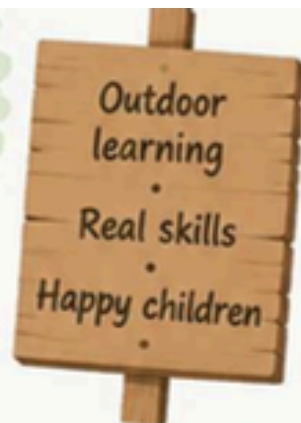

Thank you for making each one of us unique. Help us to accept and respect one another, even when we think or do things differently. Teach us not to judge others, but to choose kindness, patience and understanding. Help us to be rooted in your love, to grow together and to help everyone in our school flourish.

Amen.

Forest School

What to wear – Autumn Term

Forest School is an amazing opportunity for children to explore, learn and be active outdoors. To keep them safe, comfortable and able to fully enjoy their time in nature, please make sure they are dressed appropriately for the weather and the environment.

Essential kit for the autumn term

Wellies and socks

Wellies keep feet dry and safe. Please send your child with warm, comfortable socks to wear with their wellies (not trainers or thin socks).

Waterproof trousers

Keep legs dry and comfortable, whatever the weather.

Waterproof jacket with a hood

Keeps your child dry and warm, and provides protection in wet and windy conditions.

In colder weather...

Woolly hat

Gloves

Thick wellie socks

Multiple thin layers underneath the waterproof jacket

Layers work best – they keep your child warm and comfortable and can be adjusted as the temperature changes.

Please note: school coats are not suitable for Forest School.

They are not waterproof, are not designed for rough outdoor play and can become heavy, wet and uncomfortable. They also do not provide the right protection for outdoor learning activities.

The right clothing makes all the difference

When your child is dressed for the weather, they can:

- stay warm, dry and comfortable
- move, explore and take part fully
- enjoy getting muddy and dirty without worrying about it
- focus on the fun and learning, not on how they feel or look.

We want every child to enjoy Forest School – safely, comfortably and with confidence.

Thank you for helping your child come prepared so they can make the most of their Forest School sessions!

STAY and PLAY

Baby and Toddler Group

• (suitable for children up to 4) •

**Bishop Winnington-Ingram
CofE Primary School**

Southcote Rise, Ruislip,
Middlesex, HA4 7LW

Every Tuesday

1.30pm – 3pm

Come and have fun,
meet other new parents
in the local area and enjoy
a free tea or coffee
and a biscuit!
