

BWI PRIMARY SCHOOL

OUR VISION: MY CUP OVERFLOWS

[Click here for upcoming dates or check your Class Dojo events](#)

UPDATE FROM MRS RODENAS

It has been another busy and enjoyable week at BWI, with lots of opportunities for our children to learn, grow and develop important life skills alongside their learning.

A massive congratulations to our newly appointed pupil leaders! We are delighted to announce Holly as Head Girl, Joseph as Head Boy, Ellie as Deputy Head Girl and William as Deputy Head Boy. Congratulations also to our new House Captains: Violet, Vhella, Zac and Tiarna; School Council leaders, Ella and Saam; and Year 6 School Ambassadors, Georgia and Blossom.

We love seeing our children take on responsibility, make a difference and contribute to school life. We are looking forward to seeing them grow in confidence and become wonderful role models throughout the year.

Our Year 4 and Year 5 children have also been developing their road safety awareness this week. They have been thinking about roads, traffic and the choices they can make to keep themselves and others safe when travelling around our local community.

A big thank you to all of the children who took part in Environment Week by creating models from recycled materials. It was fantastic to see their creativity while also thinking about how we can reuse materials and look after our environment.

Please remember to attend the Parent Meet the Teacher sessions over the next few weeks and look out on ClassDojo for your class links. We will also be sharing details soon about our online phonics session for parents and Century Homework, so please keep an eye on ClassDojo.

Thank you for your continued support and have a wonderful weekend!

Getting ready for road safety training!

Exploring herbs and their scents

NOTICES

Bags and Uniform

So many children look extremely smart in their new school uniforms. Please remember that Reception to Year 2 children should have a BWI branded book bag, and Years 3 to 6 should have a BWI branded backpack. Please ensure children are wearing the correct school uniform, including the correct school **shirt** and **tie** from Year 1 to Year 6. **PE uniform** should be as stated on our [website](#).

Stay and Play is back!

Our Stay and Play sessions start again next Friday, now running from 1.30pm–3:00pm.

Open to families with children aged 0–4, it's a lovely opportunity for little ones to play and explore while families get to know our school community. Please spread the word to friends and family.

How our cup has overflowed this week!

Nursery

This week, we have been focusing on using the words 'more' and 'fewer' in Maths, as well as recognising numbers and counting objects to 5. The children have also enjoyed lots of opportunities for mark making, including making different marks and patterns in flour. We have also had lots of fun exploring and playing in our new sandpit!

Adventurers

This week in History, we have been looking at photos of the children as babies. We have been discussing the differences between how they looked then and how they look now. The children have enjoyed looking at the photographs and talking about how much they have changed and grown.

Discoverers

This week we had fun in our Superhero drama workshop where we used our imaginations to help the superhero battle the baddie! In English we continued discussing 'The Bear and the Piano' and wrote sentences to describe the water the bear rowed across. In Science we learnt about parts of the ear.

Explorers

In English, we have been reading A Lion in Paris and writing a letter from the lion to a friend, describing his trip and experiences in Paris. In Science, we are learning about animals, including humans, exploring the different animal groups – mammals, birds, fish, amphibians and reptiles – and their key features.

Investigators

This week we have been planning and drafting our FOM writing, on the Stone Age Boy. In Maths we have been using number lines to 1000 and in Science we have been learning about different animal skeletons. In RE we have been looking at the story of Abraham and Sarah and in History we have been learning about Stone Age settlements.

Pathfinders

The children enjoyed pedestrian training and developed important skills for staying safe. In RE, we learned about Moses and how his faith and trust in God blessed him and his family. In English, the children planned their first narrative based on the short film Feast, ready to write next week.

Groundbreakers

This week we have rewritten our own ending of William Shakespeare's Macbeth and I have been blown away by the children's imagination. We are learning more about the secrets of Tom's Midnight Garden, we created personality portraits in Art which involved cutting up pictures of our faces and painting in the white spaces in between.

Trailblazers

Year 6 have been upleveling our English writes based around the book the journey, we have been focusing on adding powerful adjectives and use of personification. In Science the children have been busy classifying animals into their different kingdoms based on their characteristics.

Thought for the week

I will exalt you, my God the King; I will praise your name for ever and ever. Psalm 145:1

This week's verse reminds us to take time to notice and celebrate the goodness of God. It can be easy to focus on the things that have gone wrong, the things we wish were different, or the things we are still waiting for. But this Psalm encourages us to stop and think about all that we can be thankful for.

Praising God doesn't only happen when we sing or pray. We can praise God through the way we live each day: by showing kindness, helping someone who needs us, encouraging a friend, caring for our world and being thankful for the people around us.

As we go through this week, let's try to begin each day by thinking of one thing we are grateful for. When we notice the good things around us, however small they might seem, we can remember that God is with us as we continue to be Rooted in love, Grow together and Flourish in all that we do.

Something to pray

Dear God,

Thank you for all the wonderful things you give us each day.
Help us to notice your goodness and to be thankful for the people and blessings around us.

May we praise you not only with our words, but through our kindness, our choices and the way we treat others.

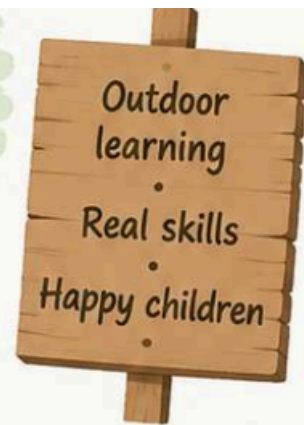

Help us to be rooted in your love, to grow together and to flourish each day.

Amen.

Forest School

What to wear – Autumn Term

Forest School is an amazing opportunity for children to explore, learn and be active outdoors. To keep them safe, comfortable and able to fully enjoy their time in nature, please make sure they are dressed appropriately for the weather and the environment.

Essential kit for the autumn term

Wellies and socks

Wellies keep feet dry and safe. Please send your child with warm, comfortable socks to wear with their wellies (not trainers or thin socks).

Waterproof trousers

Keep legs dry and comfortable, whatever the weather.

Waterproof jacket with a hood

Keeps your child dry and warm, and provides protection in wet and windy conditions.

In colder weather...

Woolly hat

Gloves

Thick wellie socks

Multiple thin layers underneath the waterproof jacket

Layers work best – they keep your child warm and comfortable and can be adjusted as the temperature changes.

Please note: school coats are not suitable for Forest School.

They are not waterproof, are not designed for rough outdoor play and can become heavy, wet and uncomfortable. They also do not provide the right protection for outdoor learning activities.

The right clothing makes all the difference

When your child is dressed for the weather, they can:

- stay warm, dry and comfortable
- move, explore and take part fully
- enjoy getting muddy and dirty without worrying about it
- focus on the fun and learning, not on how they feel or look.

We want every child to enjoy Forest School – safely, comfortably and with confidence.

Thank you for helping your child come prepared so they can make the most of their Forest School sessions!

STAY and PLAY

Baby and Toddler Group

• (suitable for children up to 4) •

 Every Tuesday

1.30pm – 3pm

Come and have fun,
meet other new parents
in the local area and enjoy
a free tea or coffee
and a biscuit!
