AUTUMN TERM
WEEK 5

BWI PRIMARY SCHOOL

OUR VISION: MY CUP OVERFLOWS

Click here for upcoming dates or check your Class Dojo events

UPDATE FROM MRS RODENAS

A huge thank you to our wonderful Parent Association for organising fantastic discos for our BWI children, from Early Years right through to Year 6! The children had a brilliant time showing off their dance moves and enjoying the celebrations with their friends.

Year 4 have also been busy developing their swimming skills at Highgrove this week. They are making fantastic progress, and we are so proud of their efforts and growing confidence. Well done, Year 4!

A reminder that our School Tours take place every Monday at 9.30am. If you have friends or family who would like to find out more about our school, please encourage them to come along and see what makes BWI so special.

Our Stay and Play sessions on Tuesday afternoons are also becoming increasingly popular. It is lovely to see more families joining us, and we look forward to welcoming even more little ones to BWI.

We are looking forward to welcoming our families to Parents' Evenings on Tuesday and Wednesday. These are a wonderful opportunity to celebrate the children's achievements and discuss their successful start to the half term. There will also be books available to purchase and delicious food from The Orchard to sample. We look forward to seeing you there!

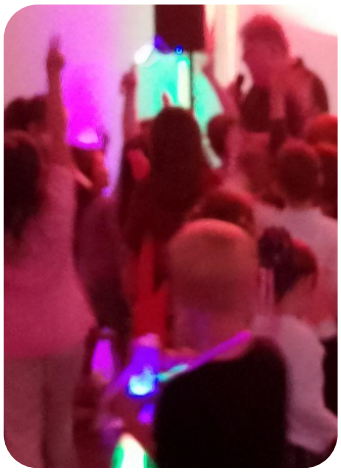

Please note that our non-uniform day in support of the Parent Association collections for Fireworks and Christmas has been moved to **Thursday 22nd October**.

Thank you, as always, for your continued support and generosity.
I hope you all have a lovely, relaxing weekend and look forward to seeing everyone next week!

Mrs Rodenas

Exploring all things autumn this week!

Lots of fun at the disco!

How our cup has overflowed this week!

Nursery

This week we enjoyed reading The Little Red Hen and discussing the importance of helping others, working together and being kind. We also continued learning about Harvest and why we celebrate it. The children enjoyed exploring our sensory Harvest tuff tray and had lots of fun painting pumpkins, which we are looking forward to washing next week!

Adventurers

This week in Reception, we have been exploring different ways to represent the numbers 1, 2 and 3. In Science, we have been learning about the changing seasons and used autumn treasures, such as leaves, conkers and acorns, to represent these numbers.

Discoverers

This week in phonics we have been learning our 'cheeky friends' sound a-e and writing words and sentences to practice this. In RE we wrote a question to God about his creation and drew our own creation pictures.

Explorers

This week in Geography, we rounded off our topic by discussing whether we would prefer to live in a hot or cold place and explaining our reasons. For Black History Month, we learned about Floella Benjamin and discovered more about her life and achievements. In RE, we discussed marriage.

Investigators

This week we have been writing about the amenities found at Skara Brae and persuading tourists to visit. In maths we have been adding and subtracting 1s, 10,s and 100s. In Science this week we have been learning about animals with and without spine and in RE we have been discussing the meaning of Salvation and the Kingdom of God.

Pathfinders

We have started swimming lessons this week! Year 4 have already made great progress in their technique and confidence in the water. The children have also learned about Walter Tull as part of our work in Black History Month. They created fact files and posters to describe his life.

Groundbreakers

We finished Place Value in Maths and Macbeth in Writing and are now writing our own version of The Highwayman poem. We have started Addition and Subtraction and also the planning stages for our ROAR competition run by Lions Clubs International.

Trailblazers

Year 6 have been hard at work completing their practice SATs assessment their progress has been amazing and it's fantastic to see their confidence growing alongside their knowledge. We had a very in depth discussion in RE about life and death and used this to create our own drawings and poetry based on their interpretations of heaven.

Thought for the week

> He heals the brokenhearted and binds up their wounds. He determines the number of the stars and calls them each by name. *Psalm 147:3–4*

When we look up at the night sky, we see thousands of twinkling stars. There are more stars in the universe than we could ever count, yet the Bible tells us that God knows every single one by name. How amazing is that!

These verses remind us that the same God who knows every star also knows and cares for each one of us. He knows when we are happy, when we are worried and when we are feeling sad. Just as He cares for the vast universe, He cares about the smallest things in our lives too.

Sometimes we all experience difficult moments, but God reminds us that we are never alone. We can also show God's love through our own actions, by noticing when someone is upset, offering a kind word or simply being a good friend.

This week, let's remember that every one of us is special, known and loved by God. Let's look for opportunities to bring comfort, kindness and happiness to those around us.

Something to pray

Dear Heavenly Father,

Thank you for the wonderful world you have created and for knowing every star in the sky by name.
Thank you that you know each of us, love us and care for us, especially when we are feeling sad, worried or lonely.
Give us kind hearts to notice when others need our help, gentle words to bring comfort and the courage to be a good friend.
May our school be a place where everyone feels valued, supported and loved, so that we can all grow and flourish together.

Amen.

STAY and PLAY

TOY DONATIONS NEEDED!

BWI School will be holding a stall at the St Martin's Martinmas Fair on

Saturday 14th November

We are looking for toy donations for our stall. All proceeds will go to **St Martin's Church**, which is currently raising money to carry out some expensive work on the roof.

A great opportunity to declutter before Christmas!

Please consider going through toys your children no longer use and donate them to help a good cause at the same time.

TOYS IN GOOD CONDITION PLEASE

Please bring toys to the school between

Monday 9th November
and
Thursday 12th November

All toys must be in good condition

WE'RE PROUD TO ANNOUNCE THAT

LEARNING LABS

IS IN PARTNERSHIP WITH

HOLY TRINITY AND BWI

They will be providing the following:

- Maths & English Tuition
- Homework club
- 11+ Preparation
- Booster class
- Independent school preparation

Upto 50% discounts for Holy Trinity & BWI parents
