UPDATE FROM MRS RODENAS

Welcome back to the first week of what promises to be an action-packed and exciting Autumn term! We have lots to look forward to over the coming weeks, and it has certainly been a busy start!

It has been a fantastic week of poppy selling at both our front and back gates. A huge thank you to everyone who has stopped to purchase a poppy and support this important cause. We will continue selling poppies next week in the lead up to our Remembrance Service, which will take place at St Martin's Church on Tuesday 10th November at 10.30am. We very much look forward to seeing as many of you there as possible as we come together to reflect, remember and pay our respects to those who have served and sacrificed so much.

We would also particularly love to welcome any of our service families who are able to attend. It would be wonderful if you could wear your uniforms and proudly represent your different sections at the service.

Our Year 5 children are also having a wonderful time continuing their ROAR Project in partnership with Ruislip Lions Club. The children are thoroughly enjoying learning about what it takes to become an entrepreneur and are beginning to explore the exciting world of business, creativity and enterprise.

We cannot forget one of the highlights of our school calendar! We are very much looking forward to seeing you all on Sunday for our annual Fireworks Display. These events are such a wonderful opportunity for our school community to come together, enjoy some family fun and make special memories. We are keeping our fingers crossed for good weather and are looking forward to a spectacular evening! If you haven't yet got your tickets, there is still time to purchase them using the link below:
Buy your last-minute tickets here

Wishing you all a lovely weekend, and I look forward to seeing many of you on Sunday!

How our cup has overflowed this week!

Nursery

This week, nursery began our new topic, 'Traditional Tales'. Inspired by Goldilocks and the Three Bears. We enjoyed counting and ordering numbers. We also learnt about the festival of Diwali and created our own clay diya.

Adventurers

We have been learning all about the Hindu festival of Diwali. We created our own diva lamps to celebrate the festival and explored how Diwali is known as the Festival of Light. We have also been getting creative by making colourful firework paintings to celebrate Bonfire Night!

Discoverers

This week we began our English unit on The Queen's Hat and looked at landmarks in London. In Maths we learnt about number bonds and addition. In science we sorted materials and investigated materials that were shiny/dull. In RE we learnt about the 'Good News' that Angel Garbiel delivered.

Explorers

We have been watching a short film about the Christmas Star to inspire our writing. The children developed their ideas through our sentence-stacking lessons in preparation for creating their own final pieces. In RE, we revisited the Christmas Nativity story and explored why it remains so important to Christians.

Investigators

We have been using the book, 'Flood' to describe a storm and write dialogue. In Maths we have been practicing adding 1s and 10s across 100. In Geography we have been learning about the layers of the earth. We have also been discussing Remembrance Day and making poppies in preparation for next week.

Pathfinders

This week, we started reading our new text, The Iron Man, in our Writing lessons. We have also been learning about the theme of peace during the Christmas season, and our Music lesson was filled with operatic singing! We had a lovely week in Pathfinders!

Groundbreakers

Year 5 have been creating breathtaking inventions for our ROAR project. They have written scripts, created posters and turned recycling into fascinating prototypes. I am blown away by their creativity!

Trailblazers

Year 6 have started our new English topic based around J. R. R. Tolkien's book the Hobbit, we have been exploring the use of personification and figurative language whilst exploring Bilbo Baggins' interaction with Gollum. We have also been having debates around the links between Christianity and Science in our RE topic exploring both perspectives to broaden our understanding further.

Thought for the week

> Blessed are the peacemakers, for they will be called children of God. *Matthew 5:9*

What does it mean to be blessed? Sometimes we think being blessed means having lots of nice things, being lucky or having everything go our way. However, Jesus teaches us that being blessed is about something much more special. It means knowing God's love, living in His ways and sharing that love with others.

In this Bible verse, Jesus tells us that those who make peace are blessed. Being a peacemaker doesn't just mean avoiding arguments. It means choosing kindness over anger, forgiveness over holding grudges and friendship over falling out. Sometimes being a peacemaker means being brave enough to say sorry, helping someone who feels left out or standing up for someone who is being treated unfairly.

This week, let's think about how we can be peacemakers in our classrooms, on the playground and at home. Even the smallest acts of kindness can make a big difference. When we choose peace, we show others what God's love looks like and help our school community to grow and flourish.

Something to pray

Dear God,
Thank you for the many blessings you give us each day, especially your love, kindness and forgiveness.
Help us to understand that being blessed is not about what we have, but about the love we share with others.
Give us the courage to be peacemakers, to choose kind words, to forgive others and to help those who are feeling sad or lonely.
Guide us to bring peace into our classrooms, playgrounds and homes so that everyone feels loved, valued and included.
Help us to follow Jesus' example and spread your love wherever we go.
Amen.

BWI FAMILIES

TOY DONATIONS NEEDED!

BWI School will be holding a stall at the St Martin's Martinmas Fair on

Saturday 14th November

We are looking for toy donations for our stall. All proceeds will go to St Martin's Church, which is currently raising money to carry out some expensive work on the roof.

A great opportunity to declutter before Christmas!

Please consider going through toys your children no longer use and donate them to help a good cause at the same time.

TOYS IN GOOD CONDITION PLEASE

Please bring toys to the school between

Monday 9th November

and

Thursday 12th November

All toys must be in good condition

BEAVERS
