Our Vision - 'My Cup Overflows' Psalm 23:5

A community that gives each child an outstanding spiritual, academic and practical education and instils an awareness of the overflowing joy, love and peace that comes from God's love for us, so that they are able to achieve their potential and truly experience 'life in all its fulness.'

John 10:10

Update from Mrs Rodenas

It has been another wonderful week here at BWI with many different learning experiences happening across the school.

Year 4 have enjoyed a full week of swimming lessons and have been telling me about the best parts, including mushroom floats and swimming lengths.

The children have finished writing letters to me about themselves in their 'First of the Month' books and I have immensely enjoyed reading all about the children and what excites them.

As the weather has been wet and windy, the children were still able to experience 'Forest School' but inside. They looked at different leaves and explored different things they could make with clay.

As we move towards more autumnal weather, we are thinking about those who less fortunate than ourselves. We are going to become a collection point for Hillingdon Foodbank and more information will be sent out on class dojo.

I am really enjoying getting to know the children and families here at BWI better and children are filling up the boards in my office with their 'star work' that they have tried so hard with.

Wishing you all a very happy weekend.

God Bless

Mrs Rodenas

Nursery

In Nursery we've been settling into the routines of Nursery. Our theme for the half term is 'Marvellous me'. We've been looking at what our favourite things are. We've been sharing our favourite books from home with our classmates. We have a visit next week (26th September) from Manor Farm Library.

Adventurers

This week we have been busy completing our 'First of the Month' book. This is a special book that Mrs. Rodenas looks at every month and where we show how amazing our writing and mark making skills are. This month the work we did was on the question 'What makes us perfectly happy at school?'

Discoverers

This week we have been talking about 'The Creation Story' and thinking of all the things that we can do to look after our world. We have done lots of lovely writing this week including writing a letter to Mrs Rodenas. We had fun looking at toys children played with in the past and described our favourite.

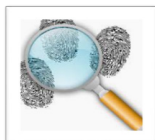

Explorers

The Explorers have been busy again this week. In English we have been writing letters to Mrs Rodenas telling her all about ourselves and in Maths we have been estimating and placing numbers on a number line up to 100.

Investigators

Year 3 have had another great week, we have finished writing our letters to Mrs Rodenas telling her all about ourselves in our 'First of the Month books'. We have even started to design out Christmas cards in September!

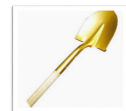

Pathfinders

Year 4 are absolutely EXHAUSTED from their first week of swimming but have been having lots of fun and already making good progress in the water. One more week to go!

Groundbreakers

In Science, Year 5 are studying the life cycles of humans and other animals. In the lesson this week we studied the gestation periods of different mammals. In maths we have been working on our place value in numbers up to one million.

Trailblazers

This week in art we have been using lines and fonts to create portraits. In English we have started looking at our new book The London Eye Mystery, we have created a role on the wall for our main character Ted.

Thought for the week

☪ *Happy are those who do not follow the advice of the wicked, or take the path that sinners tread, or sit in the seat of scoffers; but their delight is in the law of the Lord, and on his law they meditate day and night. They are like trees planted by streams of water, which yield their fruit in its season, and their leaves do not wither. In all that they do, they prosper*
- Psalm 1:1-3 (from full reading Psalm 1). ☪

Something to think about

This is a beautiful Psalm to meditate on as we move into this season of 'mists and mellow fruitfulness'. The rich beauty of autumn is starting to be revealed.

Across the country, the trees and crops grew and flourished through summer. Now they bear fruit, and we offer our thanks for a safe harvest.

For the psalmist, that life-giving water is 'the law of the Lord'. Can we share that delight? Can we drink from that life-giving water?

God's law is characterised by righteousness and justice. To follow that law means to be in right relationship with God, with each other, and with our world.

When those with power choose the path of selfishness and greed, those living in poverty are the ones to suffer. Streams of water run dry in a literal sense, and trees fail to yield their crops.

And yet it need not be that way. Poverty can end when the powerful embrace righteousness and justice, and delight in the law of the Lord.
